Statement of Faith

West End Christian School upholds the following doctrines of our Christian faith:

The inspiration of the Bible, equally in all parts and without error in its origin.

The one god, eternally existent Father, Son, and Holy Spirit who created man by a direct and immediate act.

The preexistence, incarnation, virgin birth, sinless life, miracles, substitutional death, bodily resurrection, ascension to heaven, and the second coming of the Lord Jesus Christ.

The fall of man, the need of regeneration by the operation of the Holy Spirit on the basis of grace alone, and the resurrection of all to life or damnation determined by each individual's personal decision to receive Christ as Lord and Savior.

The spiritual relationship of all believers in the Lord Jesus Christ, living a life of righteous works, separated from the world, witnessing of His saving grace through the ministry of the Holy Spirit.

Philosophy of Education

God sees man as His foremost creation, His child (a) lost; (b) redeemed; (c) restored in body, soul, and mind. While this process is completed in eternal life the process is begun and expresses itself in the here and now.

Christian educators see the child as God's foremost creation, created righteous and holy, given a rational mind and impressionable personality. He is alienated from God through sin, but redeemed and the object of God's love and forgiveness. A child is a unique personality capable of developing his talents with a sense of individual freedom to the glory of God and in the service of mankind.

Because people need to be led to repentance and nurtured in the Gospel, our task as Christians is to lead them to Christ. He is the center of the Christian life and a Christian education. Without Him, there is no need for Christian schools, no need for living. Thus, all instruction in a Christian school must be consciously Christ-centered and Bible based. It proclaims the relevance of the Christian faith to times and situations.

Christian education should lead the person to be responsive in all aspects of his personality. Only then will he be equipped to see and serve God in the world through people.

It must be clearly understood that the school is not solely responsible for meeting all these needs; other individuals and groups share this responsibility, particularly the Christian parents and family. However, the school is vitally concerned with all needs as it seeks to enable the child to grow to maturity.

I accept without moral or mental reservations both the Statement of Faith and the Educational Philosophy of West End Christian School and am committed to upholding them.
